

CALICO SPRING '25

**CALICO INFORMATICS
COMPETITION @ UC BERKELEY**

April 26th, 2025 from 4-7pm PT
Register by **April 23rd 11:59pm PT**

CALICO is a programming competition for high schoolers and college students organized by computer science students at UC Berkeley.

ABOUT

- **Learn algorithms + computing concepts** taught at UC Berkeley CS classes
- Wide range of problem difficulties, with interesting challenges for everyone, **regardless of skill level!**
- **Compete online**, anywhere!
- Similar to other contests like USACO, Google Code Jam, and Facebook Hacker Cup

CONTEST

- **April 26th, 2025 from 4-7pm PT**
- Both **In-Person** and **Online**
- **~10 problems**, duration of **3 hours**
- Bring your friends: **anyone can compete in teams of up to three!** (teams with students not yet in college are eligible to win prizes)
- CALICO is **FREE for all contestants**, with a winner + raffle prize pool **worth over \$1000!**

Registration Deadline: April 23rd, 2025 @ 11:59pm PT
